Dear Chris,

I refer to our meeting on Tuesday 15th May where-in you responded personally and by correspondence and documentation to the issues raised by the Roundtable sub- committee at the meeting I had with you on the 8th May and also contained within our correspondence to you of the same date.

A telephone conference of the Roundtable was held this morning to hear a report on behalf of the RT sub-committee of the progress and accuracy of the drafting of the Conditions of Sale.

Consequently I can advise that the Roundtable unanimously determined that the sub-committee report be endorsed and the agreed Conditions of Sale as drafted and presented at the meeting of 15th May, along with such other correspondence and documentation agreed to at the meeting, now proceed to be incorporated within the appropriate contractual documents.

I wish to take this opportunity to extend the Roundtables appreciation of the manner in which you have progressed this matter and the regard you have given to the issues raised by the RT, we also acknowledge the Treasurers demonstrated commitment to ensure this process would be transparent and would accurately reflect agreed provisions being enshrined within the contractual obligations of a purchaser of the plantation resource.

I look forward to continuing to work closely with you to finalise all necessary outstanding requirements.
