

Government of South Australia

# 2011–12 Budget Highlights

*Strong. Secure. Supportive.*

**Supporting those who need it most.** More resources and complex disability equipment for people with a disability.  
*\$56.1 million over four years*

**Easing the financial burden.** Introducing a new medical heating and cooling concession for pensioners and eligible low income earners.  
*\$1.8 million over four years*

**Delivering 21st century health care.** The new Royal Adelaide Hospital, expected to be completed in 2016.  
*\$2,095 million*

**Supporting early detection.** Purchasing state-of-the-art digital mammography technology and replacing a BreastScreen SA mobile unit.  
*\$36.7 million over four years*

**Keeping families together.** Providing extra support to reconnect children in alternative care with their families.  
*\$19 million over four years*

**Improving train safety.** Installing a new state-of-the-art computerised train protection system.  
*\$35 million over four years*

**Reducing bushfire hazards.** Delivering an extensive prescribed burning program on public land.  
*\$23.1 million over four years*

**Helping regional communities.** Providing new investments in health, roads and other priority sectors.  
*\$261.4 million over four years, plus \$13.5 million in 2010–11 and 2011–12 for flood management*

**Supporting our children's education.** Relocating preschools to primary school sites and improving facilities at several State schools.  
*\$33.2 million over four years*

**Maintaining community safety.** Continuing to recruit 300 extra police and resources for emergency services.  
*\$4.6 million over four years, plus 'Recruit 300' expenditure*

**Securing South Australia's water supply.** The 100 gegalitre desalination plant will deliver its first water in July 2011.  
*\$1.8 billion total cost*

**Growing our labour market.** More than 129,000 extra jobs have been created since the Government came to office in March 2002.
