## Quick guide to the application process

1

### **Commence your journey with the South Australian Government.**

Demonstrate your passion and motivation in an online application submitted via I Work for SA.

2

### **We seek the most qualified and talented candidates.**

Our team will meticulously review all applications to ensure they meet the essential criteria for the graduate role.

3

### **Demonstrate your capabilities**

If you pass the initial screening, you'll be invited to an assessment centre where your skills, competencies, and suitability for the role will be evaluated.

4

### **Your future awaits**

If successful, your references will be checked, and your suitability for roles will be considered. You will be informed whether you have been identified for a role or placed on the graduate register, accessible by DTF and other SA Government agencies.
